3 Do you think we have missed any topics related to the Project or to the visit organization?

Everithing all right!!!! No

4 Which aspects have you found of most interest during schools' visits?

it 's always very interesting visit other schools..I found very interesting the project about the smile at IES Perez Galdos: it's a beautiful slogan for a school. I also found interesting all the activities that you showed us and I think to copy some of them!!!! I loved the visit to the nursery school but the most interesting activity was learning to use the program for creating 3d stories

5 Other coments and observations

Perfect organization!! The organization was fantastic and perfect. Thank you for your hospitality and kindness
