## WHAT SHOULD WE DO TO PROTECT THE ENVIRONMENT?

| SHOULD<br>OR<br>SHOULDN'T?         | Weplant more trees.                  | We have showers instead of baths.                  | Welight<br>campfires in the<br>forest.               |
|------------------------------------|--------------------------------------|--|--|
| Weuse<br>the public<br>transports. | We<br>replace old bulbs<br>with LED. | We<br>recycle bottles and cans.                    | We<br>cut down trees.                                |
| We   waste water.                  | Wewalk or cycle to school.           | We<br>turn off the tap while<br>washing our hands. | We<br>turn off the light<br>when we leave a<br>room. |
| Wesort the garbage.                | Weuse recycled bags.                 | Wesave water while washing the dishes.             | We<br>waste paper (use<br>liveworksheets.com<br>;-)  |
