We hosted four teachers from the **Nettskolen Troms Centre** (Troms, Norway). Ina Beate Pentha (headmaster), Rainer Madsen Steinvik (Erasmus coordinator), Jan Christer Sannes (ICT) and Lasse Tønnessen were with us for three days during which they carried out a job-shadowing Erasmus+ mobility to learn about our experience on digitalization, and exchange ideas.

Activity programme:

Wednesday, February 7th:

- 16:00h. Reception and visit to the EOI of Collado Villalba.
- 17:30h. Our guests give a talk about the city of Troms and their school.
- 19:00h. Presentation of the EducaMadrid educational platform by Clara Álvarez (Erasmus coordinator).

Thursday, February 8th

- 16:00h. Explanation of the *That's English* distance learning method by Charo Gutiérrez (*That's English* tutor).
- 17:30h. Blended classes, led by Monica Birau (head of the English department).
- 18:45h Observation of a C2.2 class and interaction with students.

Friday, February 9th (at the Ext. of San Lorenzo de El Escorial)

- 11:00h. Working group with teachers from the German, French, and English departments. "Digitization in our centres", moderated by Lluvia de Segovia (English teacher at EOI C. Villalba). Padlet with ideas.
- 13:00h. Visit to San Lorenzo de El Escorial and lunch.
